

School Uniform at Fadden

Why we have a uniform. The school community is strongly in favor of a standard uniform and feels that smart attire creates a very good impression of the school, especially in the public forum. The school strongly encourages tidy dress and the wearing of the school uniform as detailed in this policy. We seek everyone's assistance on this matter. We have a great school, let's look great too!

We would like parents and carers to make an extra effort to ensure that our students come to school in their very smart school uniforms. If uniform clothes are not available on a particular day, clothes in school colours are acceptable.

What to avoid. We ask that students avoid wearing T-shirts and sweaters with pictures or writing on them or football jumpers (sweaters and T-shirts with our school logo of course are very acceptable). Skate shoes are not acceptable. Hats must accord with the uniform policy; baseball caps and other styles not offering sufficient shade are not acceptable.

Where to buy. All uniform items are available from Savvy clothing in Tuggeranong and generic items (such as navy shorts, netball skirts etc...) may also be purchased from a range of department stores. The front office sells Fadden chair bags and navy hats.

Policies and guidance. The following is the formal uniform policy. Any feedback about the uniform should be directed to the P&C.

FADDEN UNIFORM POLICY

Hats

In accordance with the ACT Cancer Society policy, a shady hat is necessary. The Cancer Council recommends broad-brim (cricket style), legionnaire and, bucket-style hats. All hats worn at Fadden must have a wide brim of at least 5 centimeters, to ensure appropriate protection. In winter, a shady hat must be worn either under or over beanies and other head-wear.

School Bag

Savvy sells Fadden school bags in a range of sizes. Students are strongly encouraged to use the Fadden bag.

Library Bags/Chair bags and Art Smocks

These can be purchased at Savvy, department stores or home-made. Old shirts will also suffice as art smocks.

Sports Uniforms

All children do some form of sport or fitness activity every day, so please choose suitable shoe attire. Some of the sports played at Fadden are: Netball, Basketball, Cricket, Soccer, Hockey, Softball, Rugby League and Aussie Rules.

Most of these sports are available to both boys and girls. Fadden Sporting Team uniforms are decided upon by the individual Team Managers.
