From our Principal

We have had another positive and productive term at Fadden Primary School with children involved in rich learning and extra-curricular opportunities. Maths, English, science, sport, technology and Japanese remain key areas of success and celebration at Fadden. Our Facebook page captures and celebrates these achievements regularly. Thank you to everyone who follows our page and celebrates our children's achievements with us

We recently had 131 parents, 30 staff and 89 senior students complete School Satisfaction Surveys. Next term I will share detailed results with you however I can proudly report to you that satisfaction levels for students have remained consistent whilst staff and parent satisfaction has shown significant growth in several areas.

Next term I will also share with you NAPLAN results for 2018. On first look our intense work in 2017/18 on teaching and learning in mathematics has had a very positive impact. I will provide a deeper analysis to the school board and in a newsletter during term four. Staff will also analyse this data to determine areas of strength and need at a school, cohort and individual student level.

During term four our teachers work hard to develop class plans for next year. We place children in classes based on academic and social needs. A lot of time, discussion and professional judgement goes into this process. If you have information that you would like us to consider as we develop classes for 2019 please email info@faddenps.act.edu.au by 26 October. We will notify families of class placements in week 10 of next term.

I wish to send a special thank you to Nerissa's grandma Leonie who attended our assembly last week and took the time to write to me and share with me how impressed she was with our year six hosts, the respectful audience behaviour as well as the various celebrations we had. Assemblies are a very important part of our culture here at Fadden PS and it was lovely to hear that Nerissa's grandma felt this last week. Thank you, Leonie.

Thank you to our families for another term of productive partnerships. If you are travelling this holiday, please stay safe and take care of one another. Enjoy the time with your children and the lovely spring weather.

To our staff team, enjoy your stand down period. Rest and recharge ready for term four. Thank you for all your hard work and dedication to the children and families of Fadden PS. A special congratulations to Ms Bec Flux who got married last weekend and to Ms Kylie Smith who will get married during the break.

Thank you to our fabulous children for consistently showing us how clever you are and for demonstrating the importance of our Fadden values of respect, responsibility and confidence. We are all so fortunate to work with you each day.

Regards
Liz Wallace
