Dear Fadden families

Welcome back to term 3, the term when staff invest even more time collaborating to accelerate our students' achievements in maths and writing, while ever conscious of creating a learning environment that fosters a healthy mind and body. Shortly families will receive your child's term overview which outlines the learning program drawn from the Australian Curriculum, as well as social and emotional themes and some important dates to remember. Please talk with your child's teacher if you have any questions at all regarding the term ahead.

**Here at school we are getting greener and greener!** There are now three types of bins in classes and on the playground – regular rubbish to landfill, regular recycling and the latest addition, soft plastics. Our enviro-conscious Green Team, led awesomely by Bec Legge, are leading us step by step into more sustainable practices at school. We love your work!

Last night, our school hosted the Rostrum Public Speaking Competition semi-final. Lucas Jensen gave a marvellous speech on "The view from the top". Alas, the competition was too strong, but we hope to hear more public speaking from you in the future Lucas!

Our school's P&C will meet next Tuesday night, here at 7.30 pm. Everyone one is warmly invited to come along to meet other parents, learn about Fadden 'behind the scenes', and contribute to all that we are and do together.

Please note, I am taking leave from 9 – 16 August inclusive. Cherie Connors will be acting principal.

Regards  
Jennie

## Year 6 Graduation

Parents and carers are invited to attend a meeting regarding the Year 6 Graduation for 2019, on Wednesday 7 August at 4.30pm in the Library.

The aim of this meeting is to discuss the format of the Year 6 Graduation Celebration and put together a parent committee to help with fundraising, decorating and organising the event. Any help or ideas would be appreciated.
