Dear Fabulous Fadden Families

Jo has been away sick this week, so the weekly wrap is coming from me, Katie King.

It has been another fabulous week at Fadden Primary School. This week was a time for our newly elected House Captains to shine and they did not disappoint! The encouragement and support they showed their fellow house members, and in fact everyone who was participating at the carnival, was outstanding and made us so proud. It was also lovely to see students who unfortunately did not get selected to represent their house supporting not only the newly selected house captains, but also their fellow teammates. We are **Growing outstanding Leaders for Tomorrow.**

Thank you so much to Nicky Henry and Justin Hughes for all their preparation work to make this day a success. There is a huge amount of work that goes on behind the scenes to make a swimming carnival successful and this would simply not be possible without the support of our community. Thank you also to our wonderful volunteers who attended and to all the families who prepared their child so well to participate.

After our slight hiccup we are pleased to announce our newly elected **2021 House Captains and Vice-Captains.**

Teams with both Captain & Vice - Captain	Emus	Wombats	Teams with two Captains	Koalas	Kangaroos
	Ada Vulic & Delaney Garland	Sharlize Hatch & Skye Travers		Hayley Neave & Novak Zeljkovic	Alana Rajic & Mahdi Tabaja

This week classes were busy electing class representatives for our **2021 School Leadership Council**. The successful applicants will be officially announced next week. Please remind your child that even if they do not get elected by their peers to join the School Leadership Council there will be various leadership opportunities throughout the year. The 2021 School Leadership Council will attend a morning tea with the Principal to discuss plans for the year. We can't wait to hear their ideas.

Year 1/2 classes were super lucky to have Kenny Koala visit us here today. He discussed how to keep yourself safe, dealing with strangers and who to speak to if you get into trouble or feel unsafe. It is always great to have him visit, and we are very lucky to have him back to speak with our 3/4s and 5/6s next week.

Last week, we were seeking parent interest in parents attending school workshops. We included a link to a parent survey which unfortunately had a technical glitch and did not work. We would really like to know if you are interested in finding out more about nutrition, writing, reading, mathematics, Positive Behaviours for Learning, and then any more ideas that we haven't thought of. Even if you are not interested in attending any parent workshops at school, we would still love to hear from you. Therefore, please have your say on parent workshops via this quick survey link: [Survey on Parent Workshops link](#)

Thursday 4 March is our first Fadden Friends coffee and chat opportunity with the Principal and Deputy Principal. Everyone is welcome, so please drop your kids off and come and have a chat.

Have a fabulous weekend.

Katie King

A/g Deputy Principal
