Voluntary Contributions/Library Trust Fund 2021

Dear parents and carers

Under Section 27 of the *Education Act 2004*, each year schools ask parents to make a financial contribution to their child's education. This voluntary contribution is a valuable source of funding which assists the school to purchase learning materials and school resources that may not otherwise be purchased. This year, the funds will be used to purchase ICT equipment. At Fadden Primary we rely heavily on these resources to provide the enriched learning environment that every child deserves.

These resources assist us to maintain our strong commitment to providing excellence in education for your children. The requested voluntary contributions, which is set by the School Board, for 2021 are:

\$70.00 for one student

\$90.00 for two students, and

\$110.00 for three or more students.

\$160.00 for the Library Trust Fund

Another voluntary contribution schools seek is for the Library Trust fund. This contribution can be claimed as a tax deduction. The school uses this money to purchase new and up to date books for children. The suggested Library Trust Fund, which is set by the School Board, is \$160.00 per year.

Thank you for considering this request.

Please Note: The payment of this financial contribution is voluntary. The *Education Act 2004* at section 27, states that your child will not be refused benefits or services if you do not choose to contribute. Individual records of contributions are confidential.
