

Dear Fabulous Fadden Families

Today it was with much pleasure that we had our first assembly in 12 months! It was great to have the opportunity to celebrate our students learning and achievements.

Below are a few snaps of some of the highlights of our morning.

Age Champions for Swimming

House Swimming Trophy presentation to Kangaroos!

3/4 N class performance – *Swift, Silent and Smart*

Principal's Morning Tea – for those students who consistently demonstrated the school values

Please see attached important **booking information for our 3 Way Conferences** in a few weeks. Bookings will not be open until 3pm this Monday 15th March and will close Thursday 25th March.

Just a reminder that these conferences are a little different to normal parent/teacher interviews, because we want our students to not only be present at the meetings, but to lead the meetings. Our motto is **Growing Leaders for Tomorrow**, this means students need to not only have a voice in their own learning, but to contribute to it as an equal member of the team, along with teachers and parents. So, make sure when you book that your child can also be at the meeting with you and their teacher.

Thank you to the few more additional parents that provided us with some information on our offer of parent workshops, we are up to 16 responses. This week I have attached the latest results and again ask that you take the few minutes that is necessary to give us your feedback. [Survey on Parent Workshops link.](#)

Next week (Monday 15 March to Friday 19 March) is **HARMONY WEEK – Everyone Belongs**. This is an opportunity to recognise and celebrate the wonderful diversity we have here at Fadden Primary School. Throughout the week students will engage in learning about harmony week and we encourage all staff and students to **WEAR ORANGE** on **Wednesday 17 March** to show their support for a harmonious community. More information can be found at: <https://www.harmony.gov.au/>

Have a great weekend.

Jo Jefferson

Principal
Fadden Primary School
