Dear Fabulous Fadden Families

This week we have been missing our Year 5/6 classes who have been on camp at Birrigai Outdoor School in Tidbinbilla. I know Mr Matthews has been spamming our school's FaceBook page, but here are a few more show casing some of the activities they have been up to.

I would like to acknowledge the amazing job our younger school leaders did today hosting assembly. Even with some technical difficulties, they kept the show rolling and spoke with confidence. We also had a skilled student musician play for us today as classes entered and exited assembly. Well done all!

Students were informed at assembly today that they have reached their PBL whole school reward for over 1000 values tickets! Next Friday students will be given an extra 30 minutes of inside free play. Their next target is 2000 values tickets for a 'Bring a Toy to School Day'. Foxy is watching!

Next Wednesday, 23rd June 2021, student reports are coming home to families. Preschool families will receive a paper version, whilst families of students in Kindergarten to Year 6 will have their reports emailed out directly to parents.

At Fadden Primary School our focus is always on celebrating our students' successes and identifying the next steps for learning or area of development for our learners. These are communicated to our Kindergarten to Year 6 families via dot points for English and Mathematics. Our reports also provide families with information on our student's Personal and Social Capabilities. If you have any questions after you receive your report, please do not hesitate to contact either your child's classroom teacher or our executive teachers, Kylie Dewar (P-Year 2) or Dave Matthews (Year 3-Year 6).

In Term 3 (2nd – 6th August), we will once again hold 3 Way Conferences to discuss our students learning goals and focus for Semester 2. We received overwhelming support for these meetings and are excited to revisit our goals set in Semester 1. More information will come home early next term.

Have a great weekend.
