

15 October 2021

Dear Fabulous Fadden Families

We have been very busy this week planning how we can welcome everyone back to school and face to face learning this term.

- **Preschool, Kindergarten, Year 1, 2 and year 6 on Monday 25 October**
- **Years 3, 4 and 5 on Monday 1 November**

Today I have attached a number of important updates, with key information about the changes that will be taking place in our school, to ensure a COVID-safe return of students to our school campus as well as the 2021 School Satisfaction & Climate Survey, which was postponed due to the current lockdown. This survey will open from 18 October to 12 November 2021.

As always, if you have any questions about the operation of our school – including issues like mask wearing, ventilation and cleaning - the Education Directorate has some very useful and updated [Frequently Asked Questions](#) on their website which may answer the questions you have.

Indoor air quality plans will be available on our school's website by 22 October.

If your child is feeling anxious and worried about returning to school. The ACT Education psychology service have produced three short videos to help you support your child as they return to school in the next couple of weeks. We will also be sending home a Social Story specific to Fadden Primary School, that you will be able to read with your child, before they come back to school. This will help to prepare them for what is the same and different at school.

The videos are on YouTube and are titled:

- [Understanding Anxiety](#)
- [Responding to Your Child's Anxiety](#)
- [Return to School Plan](#)

This week I am proud to show some of the fabulous learning that has been taking place with our Year 1/2 classes in the Google Classrooms.
