Dear Fearless Fadden Families

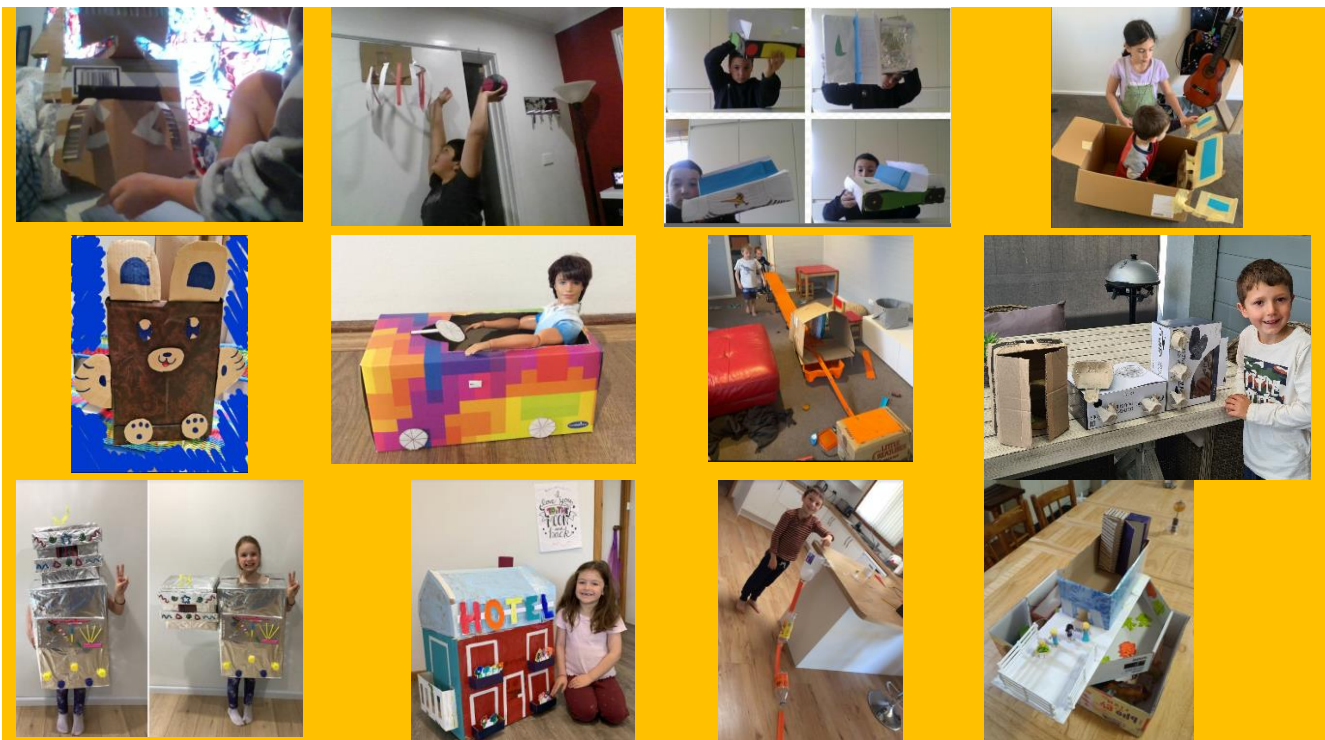

Thank you to all the families that joined us yesterday afternoon for our first Fadden's Family Trivia event online. This was an activity designed to provide families with a focus and small escape from their regular routines. We had over 40 teams join us and have 3 families receiving Dominos pizza dinner tonight for placing 1st, 2nd or 3rd. We would like to give Rav from Dominos Erindale a huge shout out for sponsoring the prizes.

Below are our list of families and their ranking. Miss Coutts and I participated but were unfortunately not eligible for a prize. We sure had fun though and most families looked to enjoy it too. Thanks Mr Matthews for your hard work and the Dad jokes.....

A few weeks ago, we invited students/families to participate in the **“Thinking Outside the Box” challenge**. We are still getting entries coming in as today was the closing day. But below are just a few that we have found this week which are extremely innovative and creative.

This week Preschool shared with me some of their learning portfolios for their students, reflecting their work in Google Classroom and remote learning. This is an exceptional snapshot of what our outstanding teachers are doing to continue to collect assessment and learning data for their students, even during remote

learning. But this is not possible without our amazing families doing the hard yards at home, ensuring their children are engaged in their learning and sending in or handing in the completed work/task.

In order for teachers to adjust the work they are setting; they need students to hand in their tasks through their Google Classroom. This will provide teachers with summative assessment information they require and also help them to prepare for reporting in Term 4.

Just a reminder that we have had to **cancel some Term 4 events** which parents have paid for. Please ensure you follow up on getting your refund.

- **Year 3/4 Camp to Birrigai** (7th and 8th October) only 9 out of 25 families who have paid for camp have requested a refund. Please email Jennifer Wynne our Business Manager on jennifer.wynne@ed.act.edu.au as soon as possible with your bank details for a full refund.
- **Swim and Survive program for Kindergarten to Year 1 and the Aqua Safe program for Year 2** (5th – 8th October) Royal Life Saving will be refunding parents directly, please follow up with them if you have not received your refund over the next couple of weeks.

This week we have had MSP Photography contact us to let us know that they are currently short staffed due to COVID-19 restrictions which means there will be a delay on delivery of school photos. Once we are provided an approximate date, we will let everyone know.

Have a beautiful weekend, enjoying the sunshine.
